

VersaMop Units...

To complement the VersaClean trolleys there is a VersaMop independent mopping unit which can be supplied with all three mopping systems;

vertical press
(VMV-2222);
wide press
(VMW-2215)
and **MopMatic**
(VMM-2214).

VMW2215 with Mop Kit DTK2

To this unit can be added an additional kit AK1 which provides an on board 30-litre lidded waste container, together with a storage tray and 6-litre pail. A very purposeful extra package (fits without tools).

Waste/Pail Kit AK1

VersaCare VersaClean VersaMop

VersaClean... classic cleaning at its very best...!

The VersaClean program of janitorial trolleys is just about as classic as you can get, providing a full range of sizes, small, medium and large and AT (all terrain).

Optional extra MopMatic pail and frame

for the specific application.

Give the Operator the Right Tools and you will get the Right Results... simple...

VCN1404 Wide Press Kit BK3

The VCN-1404 is the smallest model, incorporating 120-litre (or 2 x 70-litre) universal waste; 2 x 5-litre swing pails and available

equipped with vertical press and 2 x 22-litre buckets (kit BK2); wide press (kit BK3) or with the MopMatic prepared mop system (kit BK10).

VCN1404 Vertical Press Kit BK2 and Mop Kit DTK1

VCN1414 Vertical Press Kit BK2

VCN1414 Wide Press Kit BK3 and Mop Kit DTK2

The VCN-1604 full size unit has been very popular for many years, providing even more carrying/storage space for the larger contracts.

The VCN-1604 is equipped with our universal waste system; 4 x 5-litre colour coded pails and can use a choice of vertical press (kit BK2); wide press (kit BK3) or MopMatic (kit BK10) systems.

VCN1604 Vertical Press Kit BK2 and Mop Kit DTK1

The VCN-1414 falls in the middle of the range, providing additional storage space; 2 x 6-litre pails and universal waste facility.

Once again vertical press (kit BK2); wide press (kit BK3) or MopMatic system (kit BK10) can all be specified, together with many additional accessories to add to the versatility of the finished unit.

VCN1604 Wide Press Kit BK3

VCN1804 Vertical Press Kit BK2

VCN1804 Wide Press Kit BK3 and Mop Kit DTK2

The VCN-1804 is our "All Terrain" version, built on our Structofoam chassis and fitted with giant 200mm soft ride castors, rotating corner protectors and a full length sidewall rub rail feature.

This is the ideal unit for applications where the trolley must move outside from building to building or to cover large areas, up and down in big elevators, etc.

The VCN-1804 enjoys all the VCN-1604 features and choice of mopping system.
